

BIBLICAL ALLUSIONS

Explain the meaning and or symbolism of the following quotations, places, people, and phrases. Write a brief summary of the context after the meaning. In the case of proverbs, just a one-sentence summary explaining the lesson/moral is enough. You do not need to know/memorize the Bible chapter and verse, but some verses are listed for you to read and understand context. **Be ready for a quiz on this the second week of school in Sept.**
